EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Larry Miller on 10 November 2005.

3. The application has been amended as follows.

In the Claims

In claim 1, lines 9-10, before "said first hole" insert --a perimeter of--.

In claim 1, lines 9-10, delete from "defines" to the end of the claim.

In claim 3, lines 5-6, delete from "defines" to the end of the claim.

In claim 9, line 3, change "material" to --composition--.

In claim 9, line 7, change "material" to --composition--.

In claim 9, line 9, change "material" to --composition--.

In claim 21, line 13, change "surround" to --surrounding--.

These changes are necessary to clarify the claims and correct a grammatical error.

Reasons for Allowance

4. The following is an examiner's statement of reasons for allowance. The prior art fails to disclose a handle with the following features:

1) a first hole formed within the grasp portion in the shape of a first open informational image such that no light emitting material is present within or underlies the first open informational image as recited in claim 1;

2) holes formed in the handle in the shape of open informational images with no material present within the holes, the holes defining the informational images being surrounded by the material including the phosphorescent composition as recited in claim 9; and

3) a first hole formed within the grasp portion in the shape of a first open informational image and a second hole formed in the shaft portion in the shape of a second open informational image, the first open informational image and the second open informational image being devoid of light emitting material as recited in claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
